Introduction to the China-Arab States Expo

Approved by the State Council, the China-Arab States Expo (hereinafter referred to as “the Expo”) is an international exposition at the national level co-sponsored by the Ministry of Commerce of the People’s Republic of China, China Council for the Promotion of International Trade and the People’s Government of Ningxia Hui Autonomous Region.

Six sessions of the Expo have been held in Yinchuan, Ningxia since 2013 with “Friendship, Cooperation and Win-Win Development” as the purposes. President Xi Jinping sent congratulatory letters to the first five session. He pointed out in his speech at the headquarters of the Arab League in 2016 that the Expo has become an important platform for China and Arab countries to jointly promote Belt and Road cooperation. The six sessions together have drawn 29 dignitaries, 383 ministerial-level guests, and over 7500 enterprises from 112 countries and territories, with 1616 cooperation projects signed in modern agriculture, high and new technology, energy and chemical industry, biopharmaceutics, equipment manufacturing, infrastructure, Internet plus healthcare, tourism, etc. The Expo has served as a bridge and created favorable conditions to facilitate exchanges and cooperation in trade, economy and investment between China and BRI countries and territories, including Arab countries.

Review of the Sixth China-Arab States Expo

With “New Era, New Opportunities, New Future” as the theme, the Sixth China-Arab States Expo was held from September 21 to 24, 2023 in Yinchuan, Ningxia. It staged eight concurrent activities including the Opening Ceremony & Belt and Road Trade and Investment Promotion Conference, two institutionalized activities of Guest Country of Honor (Saudi Arabia) and Theme Province (Guangdong Province). It set up four exhibitions of professional industries and for international, domestic and Ningxia exhibitors, with a total exhibition area of 40,000 m². It attracted 34 ministerial-level officials from 65 countries, territories and regional organizations, 38 diplomatic envoys in China, as well as representatives from 20 Chinese ministries and commissions, 29 provinces (autonomous regions, municipalities), 78 academicians, over 30 chambers of commerce and 1,495 enterprises at home and abroad also joined the Sixth China-Arab States Expo. It brought about 403 cooperation accomplishments, with the planned investment and trade volume reaching 170.97 billion yuan in modern agriculture, clean energy, health-care, digital economy, tourism cooperation, etc.
